CITY SCHOOL BOARD. - At a called meeting of the Board, held at the Superintendent's office, last night, there were present : John W. Burke, esq., Chairman, the City Superintendent and Messrs. Addison, J. S. Beach, W. F. carne, Klipstein, Whittington, Whittlesey and Witmer. Edgar Snowden, jr., recently elected, by the City Council, a trustee from the 1st Ward, vice G. E. Entwisle, resigned, took the oath of office before Justice Whittlesey and took his seat as a member of the Board.

The Superintendent, at whose request the meeting had been called, stated that Miss Lena K. Shay had resigned the charge of Lee School, and that as there were no substitutes to supply her place, and the assistant teacher could not well teach the whole school, especially as her health was not very good, he thought the election of a new principal a matter of immediate necessity.

On motion of Mr. Whittington, the resignation of Miss Shay was accepted, and the Board proceeded to elect a successor. The Superinto adent nominated Miss Virginia E. Clarkson, and strongly recommended her as the most suitable person for the place. Mr. J. S. Beach nominated Miss Sailie Yates, and spoke in the nighest terms of her qualifications; after which the Board proceeded to ballot, with the following result: Miss Clarkson, 5; Miss Yates, 3 5. Miss Clarkson was declared elected.

A vacancy having been thus created in Washington School, the Superintendent suggested that as there were but two licensed teachers memployed, and these of the second grade, and as several ladies had urged their claims for the vacant place, but had not yet been examined, because they were unwilling to appear as candidates against friends, which they had trought would be the inference from their appearance at the regular examination, it might be better to postpone the election until the regular meeting, and in the meantime, he could hold a special examination. This view of the matter being taken by the Board, on motion of Mr. Whittington, Misses Mary Evans and Maggie McCarty were elected subsitutes, and the Superintendent was authoriand to place substitutes in charge of schools during the existence of vacancies.

On motion of the Superintendent the Board, by ununimous consent, proceeded to the transnetion of other business, and Mr. Burke, from the Finance Committee, having reported them correct, the following bills were passed, viz: Green & Brother, for chair, \$5; J. & J. W Entwisle for stationery, 45 ets.; Alexandris sale. Water Company, water reut for Lee School, \$4.

Applications for new permits to attend Peahody School, in consequence of the distance of Lee School (to which they are now attached.) from their residences, since its removal, were received from Alice and Ella Taylor, Mary and Alice Page, and Ella and Susie Brown, and on motion of Mr. W. F. Carne, their requests were

ALEXANDRIA AND FREDERICKSBURG RAIL ROAD. -The Richmond State Journal of yes terday says:-We passed over some fifteen miles of this new road on the construction train yesterday. The track from Alexandria to Col-chester is laid, and is being rapidly ballasted. It is a splendid piece of road, and passes through a fine farming region. At Colchester a bridge is being built over the Occoquan, resting on piers, 70 foot above the water, so as to enable vessels to pass under it to Occoquan. This bridge is a fine structure, and will be completed in about six weeks, if the weather is at all favorable. The track will be ready through to Quantico by the middle of April or first of May. Then we shall have direct communication by rail with Washington.
